

## NEWPORT BEACH FIRE DEPARTMENT

# **Apartment or High-Rise Fire Escape Planning**

To ensure the safety of occupants in residential apartment buildings and High Rises, the Newport Beach Fire Department wants you to be prepared, know what to do in case of a fire, and always remain calm.

In case of a fire in your building...
Remember these important safety tips:
C.A.L.M.

**C-** Call 9-1-1 first

**A–** Alert building management/security at

**L**– Listen for instructions from fire officials.

**M**– Move to safety or evacuate only if you are in immediate danger. If not, stay where you are.

#### LIFE SAFETY PLAN

- Check your smoke detectors regularly
- Know your building's emergency plan and other emergency systems
- Practice fire safety in your home
- Learn to evacuate in case of a fire in your unit (safest stairwells and exits)
- Have a flashlight and home keys accessible
- Know your neighbors. Be aware of any disability or special needs they may have and check on them often.

#### DON'Ts

- 1) DON'T GO TO THE ROOF
- 2) DON'T TAKE THE ELEVATORS
